

Notice to all Members and their Guests

**While efforts have been made to keep our club clean, the building has not been cleaned or sanitized to prevent the spread of the COVID-19 virus.
You enter and play at your own risk.**

If you are sick, have a fever or cough – STAY HOME. If you have come into contact with anyone suspected of having COVID-19 - do not enter the club. Please get tested and/or stay home for 14 days.

KRC Covid-19 Plan – 8/21/2020

Please adhere to these rules when entering the club - until further notice:

- Wear a face mask when in the lobby and bathrooms.
- Only courts 1 and 3 are open for play.
- Maintain a distance of 6 feet from others in the club.
- No non-players or spectators inside the club.
- All play must be booked online and all players including guests must be signed in online when court is booked.
- Come to club ready to play to minimize time changing in the club.
- End play 10 minutes early to minimize social contact in the lobby.
- Bring your own hand sanitizer and wipes.
- Be aware - playing doubles increases the risk of contracting COVID-19.
- By entering the club, you are agreeing to comply with these rules.

Ball machine: You must reserve the ball machine ahead of time when booking your court. A ball tube will be made available for picking up balls. The Club will provide disinfectant spray and wipes but since we are not staffed, we encourage you to bring your own. If you cannot find the Club disinfectant, please use your own spray and wipes. Please spray or wipe the ball machine handles, remote and ball tube *before* and *after* each use.

The following will not be in use until further notice:

- Upstairs viewing room
- Court 2
- Showers and Water fountain
